**Snap-on**<sup>®</sup>

**NEW**

PRODUCTS INNOVATED TO MAKE YOU FASTER, SMARTER AND MORE PRODUCTIVE.

**Blue-Point® Staked Axle Nut Punch Set**

- Using punches with an air hammer makes it quick and easy to fully disengage the axle nut crimp, reducing damage to the threads
- Fully crimps the nut, securing the axle nuts correctly
- Locks nut in place when re-staking
- Saves time and money—no more broken screwdrivers

YA6545 **\$62.95**

**Ball Joint Adaptor**

- For removal and installation of lower ball joints and installation of upper ball joints
- Unique flip design utilizes both sides of the adaptor
- Cutout allows straddling frame for increased work room applications
- 2003 and newer 4x4 Dodge® Ram® 2500 and 3500 vehicles and 2004 through 2010 Ram 1500 Mega Cab® trucks
- Use in conjunction with BJPI Master Ball Joint/Universal Joint Press Set

BJPI-28A **\$62.50**

**144-Lumen LED Penlights**

- Precision-machined aluminum reflector for optimal thermal management and beam projection
- Precision-machined body made from solid aluminum with a high-grade anodized finish
- Impact-resistant up to 1 meter—shockproof, crushproof, and IPX4-rated water resistance
- Run time on high up to 1 hour—up to 34 hours on low
- 3-position end cap switch activates constant and momentary high and low power modes as well as lockout mode
- Uses (2) AAA batteries (included)

ECFPEN5B **\$54.15**

ECFPEN5BK **\$54.15**

ECFPEN5R **\$54.15**

**Toyota® Steering Rack Socket**

- Allows steering rack to remain in vehicle for repairs without using a screwdriver and hammer, saving over an hour in labor
- Manufactured from special alloy steel and heat-treated for optimum strength and durability
- For hand tool use only
- Use on 2004-2009 Lexus® RX330® and RX350® and 2004-2007 Toyota Highlander® vehicles to replace O-ring and seal on power steering rack

S6229 **\$28.50**

**Blue-Point 3-Piece Crank Bolt Socket Set**

- 17mm, 19mm and 21mm, sold as set in blow mold case or individually
- Works on many different makes and models with a 17, 19, or 21 mm crank bolt
- Applications include Honda® and Acura® vehicles including Accord®, Civic®, Pilot®, CRV®, Odyssey®, CL®, TL®, Integra® and MDX® vehicles as well as Toyota and Lexus vehicles, including Camry®, Corolla®, 4Runner®, Sequoia®, ES300® and LS400® vehicles

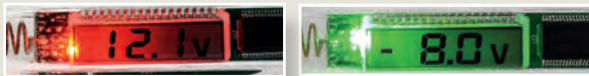

CBS3KT **\$139.40**

### Digital Display Circuit Tester

- Detect DC voltage and ground
- LED indicates green for ground, red for power
- Surge-protected circuitry displays 3v to 19.99v DC
- LCD display provides “no guess” voltage value

EECT400G	\$93.75
EECT400R	\$93.75
EECT4000	\$93.75

### Light Duty Diesel Compression Test Kit

- Includes adaptors to test Power Stroke,<sup>®</sup> Cummins,<sup>®</sup> Duramax,<sup>®</sup> Mercedes,<sup>®</sup> Isuzu<sup>®</sup> and Mitsubishi,<sup>®</sup> light duty diesel engines
- Includes 800psi gauge and diesel compression adaptors for glow plug and injector applications
- Packed in blow molded case that has additional slots for future expansion and fits in 4" drawer

EEPD501	\$519.95
---------	----------

### Blue-Point<sup>®</sup> Flexible-Neck LED Shop Light

- (3) Super-efficient SMD LEDs produce 550 Lux at 0.5 meters, 110 lumens light output
- (3) AAA alkaline batteries provides 3-hours of run time
- Heavy-duty 9-1/2" flex arm, bottom hook and hang hole allow for flexible positioning
- Light base features (6) strong neodymium-ion-boron magnets
- 1-Year Warranty

ECFLEX3	\$45.95
---------	---------

### Color Screen Digital Multi-Meter

- 4000-count LCD display and 42-segment bar graph make this auto-ranging true RMS multi-meter great for diagnosing a variety of electrical circuit or component-related problems
- Data hold button locks the reading on the display for maximum readability in a variety of shop environments
- High-resolution DC mV range improves accuracy in low-voltage measurements

EEDM52SE	\$349.95
----------	----------

### 3/8" Drive 6-Point 8mm Swivel Ball Extension Socket

- Overall length 243.2mm (9-1/2") with a 6.3mm (1/4") hex depth
- Great for applications where access is difficult, like transmission bolts and starter bolts
- Can be used with hand tools or an impact wrench
- Industrial finish

PFSXM908B	\$58.35

# GET UP TO \$50 OFF

WHEN YOU TRADE UP TO THESE CORDLESS TOOLS.\*

## 18v MonsterLithium Cordless Hammer Drill

- 450 in. lbs. of torque
- Screw, drill and hammer modes
- 4.0 Ah lithium battery for increased run-time
- High-efficiency, increased torque motor
- Includes side handle, (2) lithium batteries, charger and tote bag

CDR8850H **\$658.95**

## 3/8" Drive 18v MonsterLithium Impact Wrench

- 230 ft. lbs. torque output
- 3,420 blows per minute
- 4.0 Ah lithium battery for increased run-time
- Integrated 1 Watt LED light
- 4.0 lbs with battery
- 1-year warranty

CT8810A **\$659.95**

## 14.4v MicroLithium Drill Kit

- 150 in. lbs. torque and 275 in. lbs. of spindle lock torque
- 400 RPM for higher torque applications and 1,400 RPM for high-speed drilling
- Lightweight—CDR761A drill and 14.4v battery is only 2.4 lbs
- Over-current protection and under-voltage protection to extend tool life
- 9-position clutch delivers a range of torque
- Single sleeve keyless chuck—makes changing bits easy
- Non-slip comfort grip handle—comfort and control with less fatigue
- Twin beam headlights—illuminate your work area and minimize shadows
- 2.0 Ah lithium battery
- Includes side handle, (2) lithium batteries, charger and tote bag

CDR761A **\$384.95**

\*Limited quantities. Participating Representatives only. Promotions are weekly and dates may vary by Representative. Rain checks may be available, but product may not be available for immediate delivery. Trade amount is up to \$50 and may be less based on condition of trade. Offer cannot be combined with another trade-in or discount.

## Blue-Point® 32-Piece 1/4" Hex Shank Fractional Power Bit Set

- (30) 1/4" hex shank bits plus two adaptors
- (5) Flat tip bits 5/32" to 9/32", (7) hex bits 3/32" to 1/4", PHILLIPS® bits 0, 1, 2 and 3, POZIDRIV® bits 0, 1, 2 and 3, (7) TORX® tamper resistant bits T10 to T40, square bits 0, 1, 2
- Ideal for use with cordless drills and screwdrivers

PTB32K **\$41.95**

# SAVE ON THIS 3/8" DRIVE AIR RATCHET.

ASK YOUR REPRESENTATIVE FOR DETAILS.\*

## 3/8" Drive Super-Duty Air Ratchet

- Delivers 65 ft. lbs. of torque at 225 RPM
- Patented "stop lock" pins prevent ratchet pawl lock up
- Dual pawls for smooth operation and performance
- Steel wear bushings to prevent ratchet head wear
- Variable-speed trigger for added comfort and control

FAR72C **\$479.95**

# BUY THIS METRIC SEMI-DEEP SET AND GET THE FRACTIONAL SET.\*

## 12-Piece 3/8" Drive 6-Point Semi-Deep Metric Impact Socket Set

- IMFMS8A to IMFMS19, 8mm to 19mm

212IMFMSYA **\$190.00**

## 10-Piece 3/8" Drive 6-Point Semi-Deep Fractional Impact Socket Set

- IMFS10A to IMFS28, 5/16" to 7/8"

210IMFSYA **\$173.20**

\*Limited quantities. Participating Representatives only. Promotions are weekly and dates may vary by Representative. Offer cannot be combined with another trade-in or discount. You must purchase the 212IMFMSYA metric semi-deep impact socket set to receive the fractional socket set.

<b>SALE \$334.35</b>	

Omar Martin, owner of Hans Imports and Domestic in North Kingstown, RI was in the market for a new battery tester. When his Representative, Nick came in and demoed the new EECS750 Advanced Battery System Tester, Omar was convinced. He was ready to trade up.

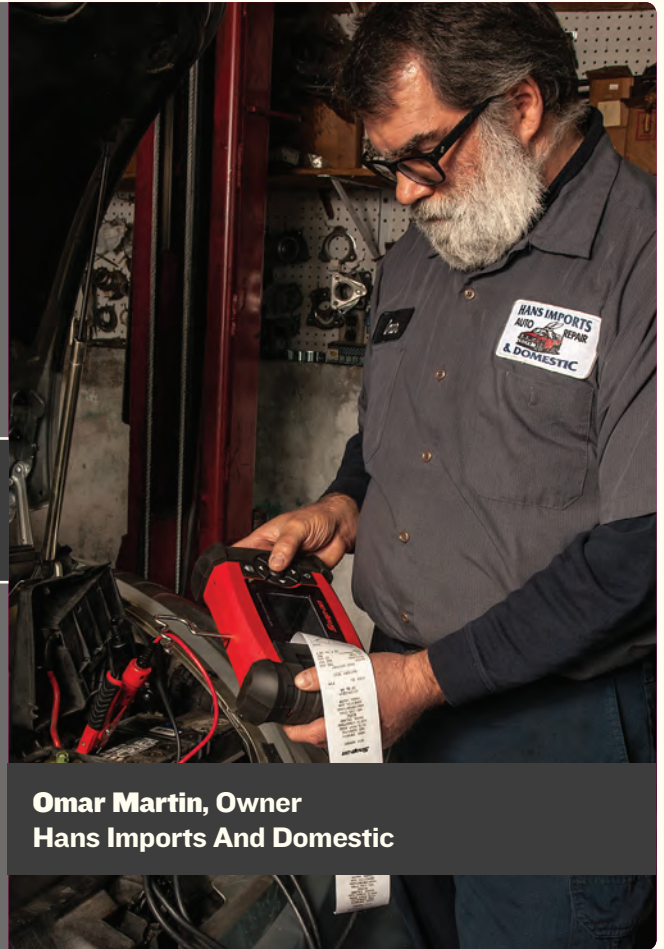

Omar likes the color screen and the way the menu is similar to his other Snap-on® diagnostic tools. Most of all he likes how fast it is compared to other products. "I can get a test print-out, customized with my shop name on it in less than 5 minutes."

Omar uses the tester to help sell more batteries, and alternators. "It's a great way to start a conversation with the customer. The print-out is a

**"When customers see the printed test result, it's a no brainer—they buy a new battery."**

great thing to show the customer because it proves the battery is bad. Customers like that." Omar's message to technicians thinking of buying a compact battery tester, "This tester is fast, intuitive, easy-to-use and will definitely pay for itself in increased business." Now every vehicle that rolls into the shop automatically gets a system test with their new battery tester.

To find out what a new EECS750 Battery Tester could mean to your business, ask your Representative for a demo today.

KETN682AOPCM **\$11,650.00**

**\$52.01\***  
PER WEEK • 260 WEEKS  
EC TERMS

With \$2,912.50 down payment or trade-in

\*Extended Credit (EC) payment example is based on: the purchase price less a trade-in or cash down payment in the amount stated next to the payment example with the stated number of payments to be made, and example time price differential charge of 18.9%/yr (may be higher or lower based on credit approval and/or state). Weekly payments are subject to business credit approval. Taxes and costs of financing, e.g. PPSA costs extra. See important credit notice below for additional terms and conditions.

## ASK YOUR SNAP-ON® REPRESENTATIVE HOW YOU CAN GET A 90 DAYS SAME-AS-CASH\* OPTION ON YOUR EXTENDED CREDIT PURCHASES.

### How the Same-As-Cash Option Works:

- Call in for a payoff quote at any time within the 90-day period and it will be quoted without the interest—you pay the net amount only
- Or, if the gross contract amount is paid off in full within the 90-day period, we'll cut a refund check for the interest already paid

\*All financing rates and terms are subject to approval at the time of sale by Seller's assignee and the terms of the Extended Credit (EC) program conditional sales contract and must be for business/commercial purposes. Not everyone will be approved under these programs. Finance charges begin accruing when you enter into the contract at the rate disclosed on the credit sale. In the event you fail to make payments when due, the terms of the contract will apply and late or NSF check charges may be due. Installation, shipping, taxes and costs of financing, such as charges for filing PPSA statements are extra. 90 Days SAC only available for approved EC contract. Payoffs must be received and posted at Snap-on Credit by the 90th day from the date on the contract to take advantage of the same as cash option.

While every attempt is made to ensure accuracy, errors during publication can occur. Product features and specifications can change. Pricing can change. Snap-on and Blue-Point are trade marks, registered in the United States and other countries, of Snap-on Incorporated. ©Snap-on Incorporated 2015. All rights reserved. All other marks are trade marks of their respective holders.

Important Credit Notice: Please be aware that the weekly payment is an estimate only and may not apply to you. Your actual payment may be different than the estimated financing payment shown. All credit sale contracts are subject to approved credit and the terms of the standard Snap-on Credit credit sales contract form. Not all applicants will qualify. Taxes, installation and costs of financing, such as charges for filing PPSA statements, are extra. Finance charges begin accruing at contract inception. Weekly payments shown are based on suggested list prices and your price may vary. Terms and finance charge rates may vary and such terms are subject to change without notice. In the event you fail to make payments when due, the terms of the contract will apply and late charges may be due. Please contact us regarding finance terms and restrictions. Images shown may not be production units. All production Snap-on tool storage units contain important safety warning labels that are not represented in these images.
